Code of Conduct for Ortho-Bionomy Australia Ltd Instructors

As an Instructor of Ortho-Bionomy I shall:

1. Always maintain a high professional standard.
2. Endeavour to improve my teaching and technical skills through Continuing Education.
3. Conduct myself professionally so as to show sensible regard to legal, moral, and ethical standards.
4. Only teach Ortho-Bionomy techniques, principles, philosophy and concepts thus preserving the integrity of Ortho-Bionomy.
5. Respect the right to privacy of students.
6. Abide by the criteria and use of all Ortho-Bionomy Australia Ltd's trademarks in accordance with the currently established guidelines. I understand that incorrect usage may result in denial of such use.
7. Never publicly slander a member of my profession or any allied profession.
8. Notify the Ortho-Bionomy Australia Ltd of unethical or inappropriate actions of another member.
9. See to it that anyone I employ full or part-time adheres to this code of ethics as long as they are employed by me.
10. Be a member of Ortho-Bionomy Australia Ltd and support this professional organization and its mission.
11. Understand that if I transgress any of this Code of Conduct I may be required to surrender my Teacher membership.
12. Distribute this Code of Conduct to Co-ordinators.
